DECLARATION OF ORIGINAL WORK

I, Munyaneza Ngabo, registration number 25/27861, declare that:

1. This assignment (MNPortfolio, SWE 3409 Individual Assignment 2) is my own work.
2. The source code, screenshots, test log, demonstration video and design document were produced by me, except where AI assistance is disclosed in evidence/AI_USE.md.
3. I understand the code submitted and can explain any part of it if asked.
4. I have not copied another student's work, nor allowed mine to be copied.
5. The APK attached to the GitHub release was built from the code in the submitted repository at the final commit hash.
6. All personal details (name, registration number, verification code) belong to me.
7. The demonstration video is a single, continuous, unedited recording made on my own device.
